

Annual Action Plan of CSR for FY 2025-26

Pursuant to the provisions of the Companies Act 2013 read with relevant rules, CSR Committee is required to formulate an annual action plan in pursuance of the CSR policy and recommend the same for the approval of the Board. Further, the Annual Action Plan shall include the list of projects or programmes approved, the manner of execution of the projects, modalities of utilization of funds, implementation schedules, monitoring and reporting mechanism and details of the need and impact assessment, if any undertaken.

As new projects have been approved in FY 2025-26 to be initiated, revised Annual Action Plan of the CSR initiatives is further detailed in the table below.

| Sr. No. | Name of the Project | Item from the list of activities in Schedule VII to the Act. | Mode of Project Execution | Location of the Project (District) |
|---------|----------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------|---------------------------|---------------------------------------------------------------------------------------------------|
| 1. | NSE-ACTREC multispecialty hospital: Construction of multispecialty OPD | Health & Nutrition | NSE Foundation | Mumbai, Maharashtra |

Note: The above annual action plan gives the list of projects which will be undertaken in FY 2025-26. The plan may be revised depending on various factors such as ground assessment, capacity of local partner agencies, natural disasters and calamities, events beyond the control of the stakeholders etc., that necessitate course correction. Further, the CSR Committee/Board during the course of the financial year may approve any additional CSR activities / projects in compliance with the NSE Group CSR Policy to fulfil the CSR obligation.

The projects will be implemented by NSE Foundation, a Section 8 Company incorporated to undertake the CSR obligations of the NSE Group Companies falling under the mandate of Section 135 of the Companies Act, 2013. Implementation schedules are as per the pre-defined milestones for construction of each phase. Modalities of utilisation of funds is through the implementation of projects by NSE Foundation basis the overall monitoring and review of defined milestones by onboarded agencies.

Monitoring & Reporting Mechanism for the phase wise execution of NSE -ACTREC multispecialty hospital project

An Owners Management Consultant (OMC) has been onboarded to oversee various agencies, adherence to process, project timelines, governance, gap analysis, risk mitigation and periodic reporting to NSE Group stake holders. Further, A Project Management Consultant (PMC) organization has been appointed to supervise the day-to-day working of the Pre-Tender Architect (PTA) and Engineering Procurement and Construction (EPC) contractor, from the pre-construction to construction and post-construction stage. The PMC monitors the PTA and EPC contractors' work to ensure compliance and execution of the project.

Monitoring & Reporting Mechanism for other CSR projects

Regular programmatic and financial monitoring and evaluation of the programmes are conducted by the independent Project Monitoring and Evaluation (PME) agencies appointed for the purpose. To review the status of the programme activities and

expenditure, the PME agencies interact with partners and conduct field visits and report the same periodically. The implementation schedules are as per the pre-defined quantitative and qualitative indicators.

Impact Assessment: The below impact assessments were initiated in the previous year and will be completed in FY 2025-26. The summary of the assessment and the link for the completed assessment reports will be provided in the Board's report of FY 2025-26.

| Sr. No. | Project Name | Focus Area | District |
